And these aren't just any waste bins. They have built-in compactors that squeeze trash so each bin can hold more garbage - and they're going to be free for the city.

Each trash can includes sensors that deploy a trash compactor when the cans fill up. The new units feature wireless Internet connections, so city workers can check the status of an individual trash can on a smartphone.

GGHMS Co-Sponsored Historic HBC Legacy Weekend Celebration

Greater Grove Hall Main Streets, City of Boston, Boston Red Sox and the Greater Boston Visitors and Convention Bureau among others, co-sponsored the first ever Historic HBC Legacy Weekend Celebration held in Boston on April 23rd-25th.

Activities and events included a college fair, career fair, open house at Fenway park and a nationally televised baseball game between two HBC's, (Florida A&M University and North Carolina Central University) at Fenway park. Approximately 30

Greater Grove Hall Main Streets

HBC's participated in the college fair along with several local colleges.

Several Grove Hall area businesses and organizations participated in the event, including the Franklin Park Zoo, Rotisserie restaurant, Roxbury YMCA. GGHMS, executive director, Ed Gaskin, board members Bob Thompson, and Robert Hector also participated in the celebration.
